Leading and Managing People in Research
(formerly EPMR)

on

23 Apr 2026

150 Minute

The learning objectives were to:

- Understand what is expected of PIs/academic managers at Oxford
- Clarify HR essentials for recruiting and leading your team
- Learn how to facilitate effective career development conversations / annual reviews (CDR/PCDR) and to manage fixed-term contracts
- Explore your role in fostering a positive research culture and enabling excellence in research practice
